Preface

*B*eauty culture is a demanding field, requiring artistic, technical, and entrepreneurial and communication skills. It is a career that offers unlimited opportunity to express your creative abilities. Beauty culture is a people based industry and as the esthetician you will become the part of those with whom you will work and practice your skills.

To attain proficiency in beauty culture you should be a keen observer of human beings and the world around you. Beauty culture is not new to mankind, it is a natural instinct of human being to look beautiful, feel beautiful and lead a healthy life. The industry of Beauty and Wellness has grown exponentially in last many years.

Keeping pace with the latest development, innovations, and trends in beauty and wellness industry the course content has been developed. After completing the course students have many employment opportunities like beauty consultant, make-up artist, hair dressers, aesthetician etc.

The purpose of this book is to bring together all the information about skin care, hair care, nail care, hair designing so as to become knowledgeable and successful beautician and health consultant. We hope this book will be of a great help for vocational students in learning the profession of beauty and wellness.

CBSE takes the opportunity to thank all the contributors, authors and the dedicated team of people who have helped in preparation of this book.

The Board is grateful to the members of the Committee of Course for their advice, guidance and total commitment towards development of this course. We are indeed indebted to these academic advisors who have lent us the benefit of their rich and insightful experience. I would like to appreciate Vocational Education Cell, CBSE; for coordinating and successfully completing the work.
